Prizing

Major Prize Details

- Only one (1) major prize will be awarded, and only one (1) prize winner will be selected.
- The person accepting the prize must be over 18 years old. If it is won by someone below 18 years old, a parent/guardian may accept the prize on their behalf.
- The prize winner will receive the major prize, which is a \$250 Uber Eats® e-gift card.
- To qualify for the major prize, a participant must fill in their guess of how many containers are in the TOMRA robot box (a large box made out of wood made to replicate the Tip 'n' Go machines being introduced in TOMRA deposit locations) on a landing page (website).
- Participants must guess how many containers are in the TOMRA robot without touching or moving any cans.
- People can tip the bucket of containers into the TOMRA robot but do not have to in order to participate in the competition. The tipping process is up to the discretion of Black Raven Media representatives and participants must not try to count containers while the tip, or they will be ineligible.
- The winner is the person who guesses either the exact amount, or the amount closest to the correct answer (higher or lower).
- If multiple people guess the correct amount, the prize will be rewarded to the person who guessed first (earliest submission).
- If no one guesses the correct amount, but there are multiple guesses the closest to the correct amount (multiple people have guessed a number the same difference from the correct answer), the winner is the person who did not guess over the answer.
 - For example, correct number is 100 (not correct answer – just an example), person A guesses 98, person B guesses 102. The difference for both is two. The person under the correct total is the winner in this situation.
- If there are still multiple people with the same guess, the winner is the person who submitted their guess first (earliest submission).

- If the prize winner does not respond within two (2) weeks after Winner Contact, the second closest guess will be contacted, and the same process will apply.
- The prize winner must be able to provide a current, valid Passport or Driver's License / other Valid ID to verify their identity and accept the prize if requested.
- All prizes are in AUD and the value is correct at the time of publication of these terms and conditions.
